now only

\$20

Best for high-level support in project coordination, research, data insights, executive tasks, and access to experts like software engineers and data scientists.

GET STARTED

We don't limit you to just one option, we offer three flexible plans so you can choose the right fit based on the hours and support you need.

Hourly: \$25/hour

Minimum 8 hours to get started. Flexible for high-level needs.

Monthly (80 hours / 30 days): \$20/hour + 3 free hours

Equivalent to ~20 hours per week. Tailored for executive-level assistance.

Extended (160 hours / 30 days): \$20/hour + 6 free hours

Full-time, dedicated support. Ideal for founders and companies needing expert-level talent.

Best for:

Project coordination

Research

Executive support

Specialized Experts (Software Engineers, Data Scientists, UI/UX, etc)
